Community Reinvestment Act Regulations

AGENCIES: Office of the Comptroller of the Currency, Treasury (OCC); Board of Governors of the Federal Reserve System (Board); Federal Deposit Insurance Corporation (FDIC); Office of Thrift Supervision (OTS).

ACTION: Joint final rule; technical correction.

SUMMARY: The OCC, the Board, the FDIC, and the OTS (collectively, the “agencies”) are amending their Community Reinvestment Act (CRA) regulations to adjust the asset-size thresholds used to define “small bank” or “small savings association” and “intermediate small bank” or “intermediate small savings association.” As required by the CRA regulations, the adjustment to the threshold amount is based on the annual percentage change in the Consumer Price Index. The agencies are also correcting a paragraph heading that is inaccurate as a result of annual revisions to the small institution threshold.

DATE: Effective January 1, 2008.

SUPPLEMENTARY INFORMATION:

Background and Description of the Joint Final Rule

The agencies’ CRA regulations establish CRA performance standards for small and intermediate small banks and savings associations. The regulations define small and intermediate small institutions by reference to asset-size criteria expressed in dollar amounts, and they further require the agencies to publish annual adjustments to these dollar figures based on the year-to-year change in the average of the Consumer Price Index for Urban Wage Earners and

Clerical Workers (CPIW), not seasonally adjusted, for each twelve-month period ending in November, with rounding to the nearest million. 12 CFR 25.12(u)(2), 228.12(u)(2), 345.12(u)(2), and 563e.12(u)(2).

The threshold for small banks was revised most recently for the OCC, the Board, and the FDIC effective January 1, 2007 (71 FR 78335 (Dec. 29, 2006)). These agencies' CRA regulations, as revised on December 29, 2006, provide that banks that, as of December 31 of either of the prior two calendar years, had assets of less than \$1.033 billion are "small banks." Small banks with assets of at least \$258 million as of December 31 of both of the prior two calendar years and less than \$1.033 billion as of December 31 of either of the prior two calendar years are "intermediate small banks." 12 CFR 25.12(u)(1), 228.12(u)(1), 345.12(u)(1). The threshold for small savings associations was revised in the same way and the same threshold for intermediate small savings associations was established by OTS effective July 1, 2007 (72 FR 13435 (Mar. 22, 2007)). 12 CFR 563e.12(u)(1). This joint final rule further revises these thresholds.

During the period ending November 2007, the CPIW increased by 2.7 percent. As a result, the agencies are revising 12 CFR 25.12(u)(1), 228.12(u)(1), 345.12(u)(1), and 563e.12(u)(1) to make this annual adjustment. Beginning January 1, 2008, banks and savings associations that, as of December 31 of either of the prior two calendar years, had assets of less than \$1.061 billion are "small banks" or "small savings associations." Small banks or small savings associations with assets of at least \$265 million as of December 31 of both of the prior two calendar years and less than \$1.061 billion as of December 31 of either of the prior two calendar years are "intermediate small banks" or "intermediate small savings associations." The agencies also publish current and historical asset-size thresholds on the website of the Federal Financial Institutions Examination Council at <http://www.ffiec.gov/cra/>.

The agencies also are amending their CRA regulations to make a technical correction to revise a paragraph heading that is inaccurate as a result of annual small institution threshold adjustments. The technical correction revises the paragraph headings found at 12 CFR 25.26(a)(1), 228.26(a)(1), and 345.26(a)(1) ("Small banks with assets of less than \$250 million") and 12 CFR 563e.26(a)(1) ("Small savings associations with assets of less than \$250 million"). As a result of the agencies' annual adjustments to the dollar amount threshold for small institutions, the threshold of \$250 million described in the paragraph heading is inaccurate. The agencies are revising the headings so that they do not reference the dollar amount of the small bank or small savings association asset threshold.

Administrative Procedure Act and Effective Date

Under 5 U.S.C. 553(b)(B) of the Administrative Procedure Act (APA), an agency may, for good cause, find (and incorporate the finding and a brief statement of reasons therefore in the rules issued) that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest.

The amendments to the regulations to adjust the asset-size thresholds for small and intermediate small banks and savings associations result from the application of a formula established by a provision in the CRA regulations that the agencies previously published for comment. See 70 FR 12148 (Mar. 11, 2005), 70 FR 44256 (Aug. 2, 2005), 71 FR 67826 (Nov. 24, 2006), and 72 FR 13429 (Mar. 22, 2007). Sections 25.12(u)(1), 228.12(u)(1), 345.12(u)(1), and 563e.12(u)(1) are amended by adjusting the asset threshold as provided for in §§ 25.12(u)(2), 228.12(u)(2), 345.12(u)(2), and 563e.12(u)(2).

Accordingly, since the agencies' rules provide no discretion as to the computation or timing of the revisions to the asset-size criteria, the agencies have determined that publishing a notice of proposed rulemaking and providing opportunity for public comment are unnecessary.

With regard to the revision amending the paragraph heading, as a result of the annual adjustment required by the regulations, the heading describing "small banks" or "small savings associations" as those with assets of less than \$250 million is inaccurate. The revision merely amends the heading to correct this inaccuracy and prevent further inaccuracies when annual adjustments are made in the future. For this reason, the agencies, for good cause, find that the notice and comment procedures prescribed by the APA are unnecessary because the joint final rule is making a technical correction without substantive change to the provisions of parts 25, 228, 345, and 563e.

This joint final rule takes effect January 1, 2008. Under 5 U.S.C. 553(d)(3) of the APA, the required publication or service of a substantive rule shall be made not less than 30 days before its effective date, except, among other things, as provided by the agency for good cause found and published with the rule. The agencies find that there is good cause for shortened notice because their current rules already provide notice that the small and intermediate asset-size thresholds will be adjusted as of December 31 based on twelve-month data as of the end of November each year. Moreover, the revisions to the headings in the agencies' rules are minor, nonsubstantive, and technical.

Regulatory Flexibility Act

The Regulatory Flexibility Act (RFA) does not apply to a rulemaking where a general notice of proposed rulemaking is not required. 5 U.S.C. 603 and 604. As noted previously, the agencies have determined that it is unnecessary to publish a notice of proposed rulemaking for this joint final rule. Accordingly, the RFA's requirements relating to an initial and final regulatory flexibility analysis do not apply.

Paperwork Reduction Act of 1995

There are no collection of information requirements in this joint final rule.

Executive Order 12866

The OCC and OTS have each determined that its portion of this joint final rule is not a significant regulatory action as defined in Executive Order 12866.

Unfunded Mandates Reform Act of 1995

Section 202 of the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1532 (Unfunded Mandates Act), requires that an agency must prepare a budgetary impact statement before promulgating any rule likely to result in a Federal mandate that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector of \$100 million or more in any one year. If a budgetary impact statement is required, section 205 of the Unfunded Mandates Act also requires an agency to identify and consider a reasonable number of regulatory alternatives before promulgating a rule. The OCC and OTS have each determined that its portion of this joint final rule will not result in expenditures by State, local, and tribal governments, or by the private sector, of \$100 million or more in any one year. Accordingly, this joint final rule is not subject to section 202 of the Unfunded Mandates Act.

Executive Order 13132

The OCC and OTS have each determined that its portion of this joint final rule does not have any Federalism implications as required by Executive Order 13132.
