ARTICLE IV

MANAGEMENT INFORMATION SYSTEMS FOR THE RESIDENTIAL LENDING

PORTFOLIO

(1) The Board shall, within ninety (90) days, develop, implement, and thereafter ensure Bank adherence to a written program establishing an effective management information system (“MIS”) which facilitates risk identification, establishes controls, and delivers accurate information for timely review. In so doing, the Board shall identify the Bank’s specific information requirements, particularly regarding the residential lending portfolio, and establish effective reporting mechanisms to guide decisions. The program shall include procedures for:

- (a) producing complete and relevant information in a summarized form, for Board and management reports, to permit effective decision making; and
- (b) producing the information, which is listed in the ROE, that is necessary to effectively supervise the residential loan portfolio.

(2) The Board shall submit a copy of the program to the Assistant Deputy Comptroller.

(3) The Board shall ensure that the Bank has processes, personnel, and control systems to ensure implementation of and adherence to the program developed pursuant to this Article.

ARTICLE V

CREDIT RISK

(1) Within ninety (90) days, the Board shall develop, implement, and thereafter ensure Bank adherence to a written program to reduce the high level of credit risk in the Bank. The program shall include, but not be limited to:

- (a) procedures to strengthen credit underwriting, particularly in the commercial real estate portfolio; and
- (b) procedures to ensure the Bank engages in strong collection efforts commensurate with the level of credit risk.

(2) The Board shall submit a copy of the program to the Assistant Deputy Comptroller.

(3) At least quarterly, the Board shall prepare a written assessment of the Bank's credit risk, which shall evaluate the Bank's progress under the aforementioned program. The Board shall submit a copy of this assessment to the Assistant Deputy Comptroller.

(4) The Board shall ensure that the Bank has processes, personnel, and control systems to ensure implementation of and adherence to the program developed pursuant to this Article.

ARTICLE VI

CRITICIZED ASSETS

(1) The Bank shall take immediate and continuing action to protect its interest in those assets criticized in the ROE, in any subsequent Report of Examination, by internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination.

(2) Within sixty (60) days, the Board shall adopt, implement, and thereafter ensure Bank adherence to a written program designed to eliminate the basis of criticism of assets criticized in the ROE, in any subsequent Report of Examination, or by any internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination as "doubtful," "substandard," or "special mention." This program shall include, at a minimum:

- (a) an identification of the expected sources of repayment;
- (b) the appraised value of supporting collateral and the position of the Bank's lien on such collateral where applicable;
- (c) an analysis of current and satisfactory credit information, including cash flow analysis where loans are to be repaid from operations; and
- (d) the proposed action to eliminate the basis of criticism and the time frame for its accomplishment.

(3) Upon adoption, a copy of the program for all criticized assets involving commercial or commercial real estate loans equal to or exceeding five-hundred thousand dollars (\$500,000) and for all criticized assets involving residential real estate loans equal to or

exceeding two-hundred fifty thousand dollars (\$250,000) shall be forwarded to the Assistant Deputy Comptroller.

(4) The Board shall ensure that the Bank has processes, personnel, and control systems to ensure implementation of and adherence to the program developed pursuant to this Article.

(5) The Board, or a designated committee, shall conduct a review, on at least a monthly basis, to determine:

- (a) the status of each criticized commercial or commercial real estate loan or criticized portion thereof equal to or exceeding five-hundred thousand dollars (\$500,000) and each criticized residential real estate loan or criticized portion thereof equal to or exceeding two-hundred fifty thousand dollars (\$250,000);
- (b) management's adherence to the program adopted pursuant to this Article;
- (c) the status and effectiveness of the written program; and
- (d) the need to revise the program or take alternative action.

(6) A copy of each review shall be forwarded to the Assistant Deputy Comptroller on a quarterly basis (in a format similar to Appendix A, attached hereto).

(7) The Bank may extend credit, directly or indirectly, including renewals, extensions or capitalization of accrued interest, to a borrower whose loans or other extensions of credit are criticized in the ROE, in any subsequent Report of Examination, in any internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination and whose aggregate loans or other extensions exceed five-hundred thousand dollars (\$500,000) only if each of the following conditions is met:

- (a) the Board or designated committee finds that the extension of additional credit is necessary to promote the best interests of the Bank and that prior to renewing, extending or capitalizing any additional credit, a majority of the full Board (or designated committee) approves the credit extension and records, in writing, why such extension is necessary to promote the best interests of the Bank; and
- (b) a comparison to the written program adopted pursuant to this Article shows that the Board's formal plan to collect or strengthen the criticized asset will not be compromised.

(8) A copy of the approval of the Board or of the designated committee shall be maintained in the file of the affected borrower.

ARTICLE VII

SENIOR LOAN OFFICER

(1) Within ninety (90) days of the execution of this Agreement and within ninety (90) days of any future vacancy in the position, the Board shall appoint a capable senior lending officer who shall be vested with sufficient executive authority to fulfill the duties and responsibilities of the position and ensure the safe and sound operation of the Bank.

(2) Prior to the appointment of any individual to the senior lending officer position, the Board shall submit to the Assistant Deputy Comptroller the following information:

- (a) the information sought in the “Changes in Directors and Senior Executive Officers” and “Background Investigations” booklets of the Comptroller’s

Licensing Manual, together with a legible fingerprint card for the proposed individual;

- (b) a written statement of the Board's reasons for selecting the proposed officer; and
- (c) a written description of the proposed officer's duties and responsibilities to include:
 - (i) the role that the proposed officer will play in addressing the asset quality issues included in the ROE and in addressing the requirements specified in this Agreement; and
 - (ii) a written assessment by the Board on how the proposed officer's knowledge, background and experience qualifies him or her to fulfill the requirements of (c)(i) above.

(3) The Assistant Deputy Comptroller shall have the power to disapprove the appointment of the proposed new senior executive officer. However, the lack of disapproval of such individual shall not constitute an approval or endorsement of the proposed director.

(4) The requirement to submit information and the prior disapproval provisions of this Article are based on the authority of 12 U.S.C. § 1818(b) and do not require the Comptroller or the Assistant Deputy Comptroller to complete his review and act on any such information or authority within ninety (90) days.

ARTICLE VIII

CLOSING

(1) Although the Board has agreed to submit certain programs and reports to the Assistant Deputy Comptroller for review or prior written determination of no supervisory

objection, the Board has the ultimate responsibility for proper and sound management of the Bank.

(2) It is expressly and clearly understood that if, at any time, the Comptroller deems it appropriate in fulfilling the responsibilities placed upon him/her by the several laws of the United States of America to undertake any action affecting the Bank, nothing in this Agreement shall in any way inhibit, estop, bar, or otherwise prevent the Comptroller from so doing.

(3) Any time limitations imposed by this Agreement shall begin to run from the effective date of this Agreement. Such time requirements may be extended in writing by the Assistant Deputy Comptroller for good cause upon written application by the Board.

(4) The provisions of this Agreement shall be effective upon execution by the parties hereto and its provisions shall continue in full force and effect unless or until such provisions are amended in writing by mutual consent of the parties to the Agreement or excepted, waived, or terminated in writing by the Comptroller.

(5) In each instance in this Agreement in which the Board is required to ensure adherence to, and undertake to perform certain obligations of the Bank, it is intended to mean that the Board shall:

- (a) authorize and adopt such actions on behalf of the Bank as may be necessary for the Bank to perform its obligations and undertakings under the terms of this Agreement;
- (b) require the timely reporting by Bank management of such actions directed by the Board to be taken under the terms of this Agreement;
- (c) follow-up on any non-compliance with such actions in a timely and appropriate manner; and

(d) require corrective action be taken in a timely manner of any non-compliance with such actions.

(6) This Agreement is intended to be, and shall be construed to be, a supervisory “written agreement entered into with the agency” as contemplated by 12 U.S.C. § 1818(b)(1), and expressly does not form, and may not be construed to form, a contract binding on the Comptroller or the United States. Notwithstanding the absence of mutuality of obligation, or of consideration, or of a contract, the Comptroller may enforce any of the commitments or obligations herein undertaken by the Bank under his supervisory powers, including 12 U.S.C. § 1818(b)(1), and not as a matter of contract law. The Bank expressly acknowledges that neither the Bank nor the Comptroller has any intention to enter into a contract. The Bank also expressly acknowledges that no officer or employee of the Office of the Comptroller of the Currency has statutory or other authority to bind the United States, the U.S. Treasury Department, the Comptroller, or any other federal bank regulatory agency or entity, or any officer or employee of any of those entities to a contract affecting the Comptroller’s exercise of his supervisory responsibilities. The terms of this Agreement, including this paragraph, are not subject to amendment or modification by any extraneous expression, prior agreements or prior arrangements between the parties, whether oral or written.
