PROBLEM LOAN IDENTIFICATION

(1) Within sixty (60) days, the Board or a designated committee shall establish an effective, independent, and on-going loan review system and internal officer grading system to review the Bank’s loan and lease portfolios to assure the timely and accurate identification and categorization of nonaccrual loans and loans rated "Special Mention," "Substandard," "Doubtful," and "Loss." The system shall include, but not be limited to:

(3) Beginning immediately, the Board or a designated committee shall ensure that each loan officer assigns an appropriate risk rating for each loan in his/her respective portfolio, appropriately determines non-accrual status, and promptly initiates grading changes as circumstances warrant based upon:

- (a) Past due status, payment history, bankruptcy, or similar indicators; and/or
- (b) Lack of financial capacity indicated by current financial information and cash flow analysis.

ARTICLE III

(1) The Bank shall take immediate and continuing action to protect its interest in those assets criticized in the Report of Examination ("ROE"), in any subsequent Report of Examination, by internal or external loan review, or in any list provided to management by the National Bank Examiners.

(2) Within sixty (60) days, the Board shall develop and maintain a written program designed to eliminate the basis of criticism of assets criticized in the ROE, in any subsequent ROE, or by any internal or external loan review, or in any list provided to management by the National Bank Examiners as "doubtful," "substandard," or "special mention." - (b) a comparison to the written program adopted pursuant to this Article shows that the Board's formal plan to collect or strengthen the criticized asset will not be compromised.

(7) A copy of the approval of the Board or of the designated committee shall be maintained in the file of the affected borrower.

ARTICLE VI

ALLOWANCE FOR LOAN AND LEASE LOSSES

(1) Within sixty (60) days, the Board shall review the adequacy of the Bank's Allowance for Loan and Lease Losses ("Allowance") and shall establish a program for the maintenance of an adequate Allowance. This review and program shall be designed in light of the comments on maintaining a proper Allowance found in the "Allowance for Loan and Lease Losses" booklet of the Comptroller's Handbook, and shall focus particular attention on the following factors:

- (a) results of the Bank's internal loan review;
- (b) results of the Bank's external loan review;
- (c) an estimate of inherent loss exposure on each significant credit;
- (d) an estimate of inherent loss exposure on each credit in excess of two hundred fifty thousand dollars (\$250,000);
- (e) loan loss experience;
- (f) trends of delinquent and nonaccrual loans;
- (g) concentrations of credit in the Bank; and,
- (h) present and prospective economic conditions.

(2) The program shall provide for a review of the Allowance by the Board at least once each calendar quarter. Any deficiency in the Allowance shall be remedied in the quarter it is discovered, prior to the filing of the Consolidated Reports of Condition and Income, by additional

provisions from earnings. Written documentation shall be maintained indicating the factors considered and conclusions reached by the Board in determining the adequacy of the Allowance.

(3) A copy of the Board's program shall be submitted to the Assistant Deputy Comptroller for review and prior written determination of no supervisory objection. Upon receiving a determination of no supervisory objection from the Assistant Deputy Comptroller, the Bank shall implement and adhere to the program.

ARTICLE VII

PROGRESS REPORTING - QUARTERLY

(1) The Board shall submit quarterly progress reports to the Assistant Deputy Comptroller. These reports shall set forth in detail:

- (a) actions taken since the prior progress report to comply with each Article of the Agreement;
- (b) results of those actions; and

(2) The progress reports shall also include any actions initiated by the Board and the Bank pursuant to the criticisms and comments in the Report of Examination or in any future Report of Examination.

(3) The first progress report shall be submitted for the period ending March 31, 2012, and will be due within thirty (30) days of that date. Thereafter, progress reports will be due within thirty (30) days after the quarter end.

ARTICLE VIII

OTHER PROVISIONS

(1) Although the Board has agreed to submit certain programs and reports to the Assistant Deputy Comptroller for review or prior written determination of no supervisory objection, the Board has the ultimate responsibility for proper and sound management of the Bank.

(2) It is expressly and clearly understood that if, at any time, the Comptroller deems it appropriate in fulfilling the responsibilities placed upon him by the several laws of the United States of America to undertake any action affecting the Bank, nothing in this Agreement shall in any way inhibit, estop, bar, or otherwise prevent the Comptroller from so doing.

(3) Any time limitations imposed by this Agreement shall begin to run from the effective date of this Agreement. Such time requirements may be extended in writing by the Assistant Deputy Comptroller for good cause upon written application by the Board.

(4) The provisions of this Agreement shall be effective upon execution by the parties hereto and its provisions shall continue in full force and effect unless or until such provisions are amended in writing by mutual consent of the parties to the Agreement or excepted, waived, or terminated in writing by the Comptroller.

(5) In each instance in this Agreement in which the Board is required to ensure adherence to, and undertake to perform certain obligations of the Bank, it is intended to mean that the Board shall:

- (a) authorize and adopt such actions on behalf of the Bank as may be necessary for the Bank to perform its obligations and undertakings under the terms of this Agreement;

- (b) require the timely reporting by Bank management of such actions directed by the Board to be taken under the terms of this Agreement;
- (c) follow-up on any non-compliance with such actions in a timely and appropriate manner;
- (d) require corrective action be taken in a timely manner of any non-compliance with such actions; and,
- (e) ensure that the Bank has processes, personnel, and control systems to ensure implementation of and adherence to the programs developed pursuant to this Agreement.

(6) This Agreement is intended to be, and shall be construed to be, a supervisory “written agreement entered into with the agency” as contemplated by 12 U.S.C. § 1818(b)(1), and expressly does not form, and may not be construed to form, a contract binding on the Comptroller or the United States. Notwithstanding the absence of mutuality of obligation, or of consideration, or of a contract, the Comptroller may enforce any of the commitments or obligations herein undertaken by the Bank under his supervisory powers, including 12 U.S.C. § 1818(b)(1), and not as a matter of contract law. The Bank expressly acknowledges that neither the Bank nor the Comptroller has any intention to enter into a contract. The Bank also expressly acknowledges that no officer or employee of the Office of the Comptroller of the Currency has statutory or other authority to bind the United States, the U.S. Treasury Department, the Comptroller, or any other federal bank regulatory agency or entity, or any officer or employee of any of those entities to a contract affecting the Comptroller’s exercise of his supervisory responsibilities. The terms of this Agreement, including this paragraph, are not subject to amendment or modification by any

extraneous expression, prior agreements or prior arrangements between the parties, whether oral or written.
