ARTICLE IV

CREDIT AND COLLATERAL INFORMATION

(1) By November 30, 2012, the Board shall adopt, implement, and thereafter ensure the Bank's adherence to a written program designed to ensure the Bank obtains and analyzes updated credit and collateral information as necessary to monitor the Bank's credit risk, properly account for loans, and assign accurate risk-ratings in a timely manner. At a minimum, with respect to all loans, leases, or other extensions of credit not subject to the Federal Financial Institutions Examination Council's "Uniform Retail Credit Classification and Account Management Policy" dated June 12, 2000 (OCC Bulletin 2000-20), the program shall require the Bank to:

- (a) obtain and analyze current and satisfactory credit information on an ongoing basis;
- (b) maintain, on an ongoing basis, proper collateral documentation, and, where necessary, substantiate the current value of collateral; and
- (c) implement a tracking system to ensure that the Bank obtains current and

satisfactory credit information and maintains proper collateral documentation.

(2) Upon adoption, a copy of the written program shall be forwarded to the Assistant Deputy Comptroller. Upon adoption of any subsequent amendments or revisions to the written program, the Board shall submit the amended or revised written program to the Assistant Deputy Comptroller. The Board shall also promptly implement and thereafter ensure the Bank's adherence to the amended or revised written program.

(3) If despite prudent efforts the Board and management are unable to obtain the credit information or collateral documentation required by Paragraph (1) of this Article within ninety (90) days, it shall not constitute a violation of this Article so long as the Bank's ongoing efforts to obtain the information are documented and recorded in the respective credit file.

(4) Effective immediately, the Bank may grant, extend, renew, alter or restructure any loan, lease, or other extension of credit only after:

- (a) documenting the specific reason or purpose for the extension of credit;
- (b) identifying the expected source of repayment in writing;
- (c) structuring the repayment terms to coincide with the expected source of repayment for the extension of credit;
- (d) obtaining and analyzing current and satisfactory credit information to appropriately assess the borrower's cash flow and financial position, and where repayment is dependent in whole or in part on one or more guarantors, performing an appropriate analysis of the guarantors' current financial position; and

material, in compliance with 12 C.F.R. Part 164 where applicable, and documenting that the Bank's security interest has been properly attached and recorded.

(5) Failure to adhere to Paragraph (4)(c) of this Article or to obtain and analyze the information in Paragraph (4)(d) of this Article shall not constitute a violation of this Article if, prior to granting the extension of credit, a majority of the full Board (or a delegated committee thereof) reasonably determines that not adhering to Paragraph (4)(c), or not obtaining and analyzing the information required in Paragraph (4)(d), would not be detrimental to the best interests of the Bank. Any such determination must be documented in a written certification that includes specific and adequate reasons for the Board's determination. A copy of the Board certification shall be maintained in the Bank's credit file for the respective borrower(s) for subsequent review by the Comptroller in connection with examinations of the Bank. The certification exception granted by this Paragraph shall not apply to any loan or other extension of credit to an insider as the terms are defined by 12 C.F.R. §§ 215.2(h) and 215.3.

ARTICLE V

LOAN RISK RATING SYSTEM

(1) Within thirty (30) days, and on an ongoing basis thereafter, the Board must ensure that the Bank's internal risk ratings of any loan relationship not subject to the Federal Financial Institutions Examination Council's "Uniform Retail Credit Classification and Account Management Policy" dated June 12, 2000 (OCC Bulletin 2000-20) (covered relationship), as assigned by responsible loan officers and by any independent loan reviewer, are timely, accurate, and consistent with 12 C.F.R. § 160.160 and the criteria set forth in the "Rating Credit Risk"

booklet, A-RCR, of the Comptroller's Handbook. At a minimum, the Board must ensure, on an ongoing basis, that with respect to the assessment of credit risk of any covered relationship:

- (a) the primary consideration is the strength of the borrower's primary source of repayment (i.e., the probability of default rather than the risk of loss);
- (b) collateral, non-government guarantees, and other similar credit risk mitigants that affect potential loss in the event of default (rather than the probability of default) are taken into consideration only if the primary source of repayment has weakened and the probability of default has increased;
- (c) credit risk ratings are reviewed and updated whenever relevant new information is received, but no less frequently than annually; and
- (d) the credit risk rating analysis is documented and available for review by the Board and the OCC upon request.

(2) Within thirty (30) days, and on an ongoing basis thereafter, the Board must ensure that any covered relationship with a high probability of payment default or other well-defined weakness is rated no better than Substandard, unless the debt is secured by marketable securities or cash.

(3) Within ninety (90) days, the Board must establish a management information system that provides, at a minimum, the following information in writing to the Board on a monthly basis:

- (a) the identification, type, amount, and assigned rating of each loan or other asset rated Special Mention or worse, and a discussion of the specific reasons for the assigned risk rating;

- (b) a listing of all credit and collateral documentation exceptions;
- (c) a list of loans and leases not in conformance with the Bank's lending and leasing policies, with a notation as to whether the exceptions were properly granted in accordance with the Bank's lending and leasing policy; and
- (d) the identity of the loan officer who originated each loan or other extension of credit reported in accordance with Paragraphs (3)(a) through (3)(c) of this Article.

ARTICLE VI

LOAN REVIEW

(1) Within sixty (60) days, the Board shall adopt an effective, independent and on-going loan review system to review, at least semi-annually, the Bank's loan and lease portfolios to assure the timely and accurate risk rating of credits and the identification of credit information, collateral documentation, and policy exceptions. The system shall provide for a written report to be filed with the Board after each review. Such reports shall include, at a minimum, conclusions regarding:

- (a) the identification, type, rating, and amount of problem loans and leases;
- (b) the accrual status and amount of impairment reserves, if necessary;
- (c) credit information and collateral documentation exceptions;
- (d) the identification and status of credit related violations of law, rule or regulation;
- (e) loans and leases to the Bank's executive officers, directors, and principal shareholders as well as any of their related interests; and

(f) loans and leases not in conformance with the Bank's lending and leasing policies, and exceptions to the Bank's lending and leasing policies.

(2) Upon adoption, the Board shall submit a written description of the loan review system required by this Article to the Assistant Deputy Comptroller for review and prior written determination of no supervisory objection. Following receipt of the Assistant Deputy Comptroller's written determination of no supervisory objection, the Board shall promptly implement and thereafter ensure the Bank's adherence to the system. Prior to adopting any material subsequent amendments or revisions to the system, the Board shall submit the proposed amendment or revision to the Assistant Deputy Comptroller for review and a prior written determination of no supervisory objection. Following receipt of the Assistant Deputy Comptroller's written determination of no supervisory objection, the Board shall promptly adopt, implement, and thereafter ensure the Bank's adherence to the amended or revised system.

(3) The Board shall promptly evaluate the internal loan and lease review reports and shall ensure that immediate, adequate, and continuing remedial action, if appropriate, is taken upon all findings noted in the report.

(4) A copy of the reports submitted to the Board, as well as documentation of the action taken by the Bank to address concerns pursuant to Paragraph (3) of this Article, shall be maintained at the Bank and available for review by Bank Examiners upon request.

ARTICLE VII

CRITICIZED ASSETS

(1) The Bank shall take immediate and continuing action to protect its interest in those assets criticized² in the Report of Examination for the examination which commenced on October 11, 2011 (“ROE”), in any subsequent Report of Examination, by internal or external loan review, or in any list provided to management by the OCC during any examination.

(2) Within sixty (60) days, the Board shall adopt, implement, and thereafter ensure the Bank’s adherence to individual workout plans for criticized assets equal to or exceeding fifty thousand dollars (\$50,000). The workout plans shall be designed to protect the Bank’s interest in or eliminate the basis of criticism of assets criticized in the ROE or internally identified by the Bank as criticized as of the effective date of this Order. On an ongoing basis, when any asset equal to or exceeding fifty thousand dollars (\$50,000) is criticized in a subsequent Report of Examination, or by any internal or external loan review, or in any list provided to management by the OCC during any examination, the Board shall adopt, implement, and thereafter ensure the Bank’s adherence to individual workout plans for the criticized asset within thirty (30) days.

Each workout plan shall include, at a minimum:

- (a) an identification of the expected sources of repayment;
- (b) an analysis of the borrower’s ability to repay the loan based on current and satisfactory credit information, including a global cash flow analysis of the guarantor’s repayment ability where repayment is dependent in whole or in part on any guarantor;

² The term “criticized” as used in this Article refers to assets rated the equivalent of “doubtful,” “substandard,” or “special mention” as defined in the “Rating Credit Risk” booklet, A-RCR, of the Comptroller’s Handbook.

- (c) the current value of supporting collateral and the position of the Bank's lien on such collateral where applicable; and
- (d) actions designed to protect the bank's interest in, or eliminate the basis of criticism of, the asset, including timeframes for implementing and evaluating the effectiveness of those actions.

(3) Within sixty (60) days, a copy of the workout plans for all assets equal to or exceeding one hundred and fifty thousand dollars (\$150,000) that were criticized in the ROE shall be forwarded to the Assistant Deputy Comptroller. A copy of the workout plan for any asset equal to or exceeding one hundred and fifty thousand dollars (\$150,000) that is criticized in a subsequent Report of Examination shall be forwarded to the Assistant Deputy Comptroller with the following progress report required by Article I.

(4) The Board, or a designated committee, shall conduct a review, at least by the end of each quarter, to determine:

- (a) the status of each criticized asset or criticized portion thereof that equals or exceeds one hundred and fifty thousand dollars (\$150,000);
- (b) management's adherence to the workout plans adopted pursuant to this Article;
- (c) the status and effectiveness of the plans; and
- (d) the need to revise the plans or take alternative action.

(5) A copy of each review conducted pursuant to Paragraph (4) of this Article shall be forwarded to the Assistant Deputy Comptroller within thirty (30) days of the end of the quarter in which the review occurred in a format similar to Appendix A, attached hereto.

(6) Effective immediately, the Bank may extend credit, directly or indirectly, including renewals and extensions, to a borrower whose loans or other extensions of credit are criticized in the ROE, in any subsequent Report of Examination, in any internal or external loan review, or in any list provided to management by the OCC during any examination and whose aggregate loans or other extensions exceed one hundred and fifty thousand dollars (\$150,000) only if each of the following conditions is met:

- (a) the Board or designated committee finds that the extension of additional credit is necessary to promote the best interests of the Bank and that prior to renewing or extending any additional credit, a majority of the full Board (or designated committee) approves the credit extension and records, in writing, why such extension is necessary to promote the best interests of the Bank; and
- (b) a comparison to the plans adopted pursuant to this Article shows that the Board's formal plan to collect or strengthen the criticized asset will not be compromised.

(7) A copy of the approval of the Board or of the designated committee pursuant to Paragraph (6)(a) of this Article shall be maintained in the file of the affected borrower.

ARTICLE VIII

ALLOWANCE FOR LOAN AND LEASE LOSSES

(1) By no later than September 30, 2012, the Board shall adopt, implement, and thereafter ensure the Bank's adherence to written policies and procedures for maintaining an adequate Allowance for Loan and Lease Losses ("ALLL") in accordance with U.S. generally accepted accounting principles ("GAAP"). The ALLL policies and procedures shall be consistent

with the guidance set forth in the Federal Financial Institutions Examination Council's "Interagency Policy Statement on the Allowance for Loan and Lease Losses" dated December 13, 2006 (OCC Bulletin 2006-47) ("Interagency Statement"), and shall at a minimum include:

- (a) procedures for determining whether a loan is impaired and measuring the amount of impairment, consistent with GAAP (including FASB ASC 310-10, *Receivables - Overall - Subsequent Measurement – Impairment*);
- (b) procedures for segmenting the loan portfolio and estimating loss on groups of loans that are consistent with GAAP (including FASB ASC 450-20, *Loss Contingencies*). These procedures shall require the Bank to document its estimation of credit losses and its analysis of the nine qualitative factors set forth in the Interagency Statement;
- (c) procedures for validating the ALLL methodology; and
- (d) a process for summarizing and documenting, for the Board's prior review and approval, the amount to be reported in the Call Report for the ALLL.

(2) By no later than September 30, 2012, the Board shall adopt written policies and procedures to ensure that all official and regulatory reports filed by the Bank accurately reflect an adequate ALLL balance as of the date that such reports are submitted. Any difference between the ALLL balance as determined by the analysis required by this Article and the Bank's actual ALLL balance shall be remedied through appropriate account adjustments in the quarter it is discovered, prior to the filing of the Call Report.

(3) Upon adoption, the Board shall submit a copy of the policies and procedures required by this Article to the Assistant Deputy Comptroller. Upon adoption of any subsequent amendments or revisions to the required policies and procedures, the Board shall submit the

(3) As part of this audit program, the Board shall evaluate the audit reports of any party providing services to the Bank, and shall assess the impact on the Bank of any audit deficiencies cited in such reports.

(4) The persons responsible for implementing the internal audit program described above and the audit required by Paragraph (1) of this Article shall be independent, qualified, and report directly to the Board, which shall have the sole power to direct their activities. All reports prepared by the audit staff shall be filed directly with the Board and not through any intervening party, including any individual who is a director.

(5) All audit reports shall be in writing. The Board shall ensure that immediate actions are undertaken to remedy deficiencies cited in any audit report, and that auditors maintain a written record describing those actions.

(6) The audit staff shall have access to any records necessary for the proper conduct of its activities. Bank Examiners shall have access to all reports and work papers of the audit staff and any other parties working on its behalf.
