RE: Unauthorized Banking List

The OCC issues alerts, among other reasons, to provide information about entities engaged in unauthorized banking, both offshore and domestic. Attached to this alert is an alphabetical listing of all such entities named in OCC alerts from the year 1996 to date. This listing is intended to aid in the search for names of such entities and to indicate the nature of the problem that prompted the issuance. Please refer to the original alert for more complete information.

The attached unauthorized banking list is a cumulative document that the OCC intends to update and issue each year.

Individual OCC alerts, from the year 1994 to date, will remain available on the OCC’s Internet Web site, at <http://www.occ.treas.gov>, listed under “issuances.”
