RE: Crown Bank, N.A., Ocean City, NJ, Counterfeit Money Orders and Pre-Arranged COD deliveries

The Office of the Comptroller of the Currency has been advised that counterfeit money orders of Crown Bank, N.A., are being issued nationwide and are also being used in connection with a pre-payment fraud scheme. The pre-payment fraud is the type in which the counterfeit money order is being issued as a pre-arranged COD payment on delivered merchandise. The merchandise is typically ordered via the Internet from companies located nationwide.

The counterfeit money orders are of medium quality, display Crown Bank’s “crown” logo, and list an address of 212-216 S. Franke Rodgers Blvd., Harrison NJ 07029. The bank’s routing number is correctly listed but the serial number series, 70009900, is higher than that of the bank’s legitimate money orders.
