INTERAGENCY NOTICE OF CHANGE
IN DIRECTOR OR SENIOR EXECUTIVE OFFICER

General Information and Instructions

Who Must File
This Notice is used, as required by Section 32 of the Federal Deposit Insurance Act (Act) (12 U.S.C. 1831i), by a depository institution or its holding company to notify the appropriate regulatory agency of a proposed change in the board of directors or senior executive officer of such institution or holding company.

In general, this requirement is applicable to a depository institution or depository institution holding company that:

- is not in compliance with all minimum capital requirements applicable to such institution, as determined by the appropriate regulatory agency on the basis of such institution or holding company’s most recent report of condition, report of examination or inspection;
- is in troubled condition; or
- the appropriate regulatory agency determines, in connection with its review of a capital restoration plan required under Section 38 of the Act (12 U.S.C. 1831o) or otherwise, that such prior notice is appropriate.

Preparation
The depository institution or its holding company (filer) should complete this Notice by providing a response to each of the questions and signing the Certification for each proposed individual. Information should be provided as of the Notice’s submission date. In addition, each proposed individual must complete the biographical and certification portions of the Interagency Biographical and Financial Report. The filer and each proposed individual are responsible for understanding the requirements and the accuracy of the statements. The completed form(s) should be sent to the appropriate regulatory agency.

For additional information regarding the processing procedures and guidelines and any supplemental information that may be required, please refer to the appropriate regulatory agency’s procedural guidelines (i.e., Comptroller’s Corporate Manual, the FRB’ Processing Applications Through the Federal Reserve System and the Applications Procedures Manual, the FDIC’s Rules and Regulations (12 C.F.R. 303), or theOTS’ Application Processing Handbook) or contact the agency directly for specific instruction.
Confidentiality
In general, requests for confidential treatment of specific portions of the application must be submitted in writing concurrently with the submission of the application and must discuss the justification for the requested treatment. Applicant’s reasons for requesting confidentiality should specifically demonstrate the harm (e.g., to its competitive position, invasion of privacy) that would result from public release of information (5 U.S.C. 552). Information for which confidential treatment is requested should be (1) specifically identified in the public portion of the application (by reference to the confidential section); (2) separately bound; and (3) labeled "Confidential." Applicant should follow the same procedure regarding a request for confidential treatment with regard to the subsequent filing of supplemental information to the application.

An Applicant should contact the appropriate regulatory agency for specific instructions regarding requests for confidential treatment. The appropriate regulatory agency will determine whether the information submitted as confidential will be so regarded and will advise the Applicant of any decision to make available to the public information labeled as "Confidential."
