CONSUMER CORNER

Help is available online for people with complaints about their bank. A web site has been created to answer common questions consumers have about banking and provide information about contacting banking regulators. The site—Help-With-My-Bank--dot--gov—is sponsored by the Office of the Comptroller of the Currency and designed to present information in a question-and-answer format. The content is based on the thousands of questions the agency receives from consumers each year. To learn more, visit W-W-W--dot--help-with-my-bank--dot--gov.
