Fair Credit Reporting Medical Information Regulations; Correction

AGENCIES: Office of the Comptroller of the Currency, Treasury (OCC); Board of Governors of the Federal Reserve System (Board); Federal Deposit Insurance Corporation (FDIC); Office of Thrift Supervision, Treasury (OTS); National Credit Union Administration (NCUA).

ACTION: Final rule; correction.

SUMMARY: The OCC, Board, FDIC, OTS, and NCUA (Agencies) published a final rule to implement section 411 of the Fair and Accurate Credit Transactions Act of 2003 (FACT Act). The intent of that final rule was to finalize, with changes, the interim regulations published on June 10, 2005 and to republish the remaining requirements. However, due to technical errors in the formatting of the November 22, 2005 document, duplicate provisions were added. To correct this error, this document revises the amendatory instructions which added duplicative text.

DATES: This correction is effective December 22, 2005.

SMALL BUSINESS ADMINISTRATION
13 CFR Part 106
RIN 3245–AF37
Cosponsorships, Fee and Non-Fee Based SBA-Sponsored Activities, and Gifts

AGENCY: U.S. Small Business Administration.

ACTION: Final Rule; correction.

SUMMARY: The U.S. Small Business Administration (SBA) is correcting a final rule regarding cosponsorships, fee and non-fee based SBA-sponsored activities, and gifts that was published on November 23, 2005. The final rule implemented SBA’s statutory authority to provide assistance for the benefit of small businesses through activities sponsored with outside entities (for-profit and non-profit entities and Federal, State, and local government officials or entities) as well as activities sponsored solely by SBA. The final rule also established minimum requirements for those activities as well as the Agency’s solicitation and acceptance of gifts. The rule was effective on November 23, 2005, the date of publication, but did not contain a justification for the immediate effective date as required by the Administrative Procedures Act. SBA is correcting the final rule by adding a paragraph which sets forth an appropriate justification for immediate effective date of final rule.

On page 70704, in the second column, add the following paragraph as subsection D of the SUPPLEMENTARY INFORMATION section:
D. Justification for Immediate Effective Date of Final Rule

The APA requires that “publication or service of a substantive rule shall be made not less than 30 days before its effective date, except * * * as otherwise provided by the agency for good cause found and published with the rule.” 5 U.S.C. 553(d)(3). SBA finds that good cause exists to make this final rule effective on the same day it is published in the Federal Register.

The purpose of the APA provision delaying the effective date of a rule for 30 days after publication is to provide interested and affected members of the public sufficient time to adjust their behavior before the rule takes effect. In this case, however, the 30-day delay is unnecessary because this final rule addresses administrative requirements for Agency management of SBA outreach programs and does not require small business concerns, cosponsors or SBA’s other strategic partners to change their behavior when participating with SBA in cosponsorships and other outreach activities. Further, immediate implementation of the final rule is justifiable because SBA’s statutory authority for cosponsorship and fee-based SBA-sponsored events will terminate on September 30, 2006. Immediate implementation will give SBA the maximum amount of time to measure the effectiveness of the statutory authorities in furthering the SBA’s mission. Furthermore, SBA did not receive any comments on the proposed rule, which was published in the Federal Register on July 1, 2005, and does not expect any opposition to an immediate effective date of this final rule from small businesses or other entities participating in its outreach programs.

Associate Administrator for Strategic Alliances.

DEPARTMENT OF TRANSPORTATION
Federal Aviation Administration
14 CFR Part 39

AGENCY: Federal Aviation Administration, DOT.

ACTION: Final rule; rescission.

SUMMARY: This amendment rescinds Airworthiness Directive (AD) 2005–19–16, which is applicable to certain Airbus Model A320–111, –211, –212, –214, –231, –232, and –233 airplanes. That AD requires installing a bonding strip between each of the two water scavenge jet pumps of the center fuel tank and the rear spar in section 21. That AD resulted from fuel system reviews conducted by the manufacturer. The requirements of that AD were intended to prevent an ignition source for fuel vapor in the wing, which could result in fire or explosion in the center wing fuel tank. Since the issuance of that AD, the FAA has determined that the procedures specified in the service bulletin and French AD referenced in that AD would result in duplicate actions.

Effective Date: December 22, 2005.
