

RISK GOVERNANCE

STRATEGIC OVERSIGHT FOR EVOLVING RISKS

Effectively measuring and managing risk is crucial to the success of financial institutions. While managers deal with risk-related issues every day, directors should still learn how to effectively measure and manage risk in order to fulfill their oversight responsibilities.

Join us to hear more about major risks facing the financial industry and how the OCC approaches risk-based supervision.

Learn how to identify, measure, monitor, and control risk—the keys to success in effective risk management.

Register to attend this one-day workshop for **\$179**.
