COMPTROLLER OF THE CURRENCY**

UMB Bank, N.A.)	AA-EC-2017-16
Kansas City, Missouri)	

CONSENT ORDER

The Comptroller of the Currency of the United States of America (“Comptroller”), through his national bank examiners and other staff of the Office of the Comptroller of the Currency (“OCC”), has conducted an examination of UMB Bank, N.A., Kansas City, Missouri (“Bank”). The OCC has identified deficiencies in the Bank’s practices that resulted in a violation of Section 5 of the Federal Trade Commission Act (“FTC Act”), 15 U.S.C. § 45(a)(1), related to billing practices with regard to an identity protection product, and has informed the Bank of the findings resulting from the examination.

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a Stipulation and Consent to the Issuance of a Consent Order, dated August 1, 2017, that is accepted by the Comptroller (“Stipulation”). By the Stipulation, which is incorporated herein by reference, the Bank has consented to the issuance of this Consent Cease and Desist Order (“Order”) by the Comptroller.

ARTICLE I

COMPTROLLER'S FINDINGS

The Comptroller finds, and the Bank neither admits nor denies, the following:

(1) From June 2009 to February 2013, the Bank marketed and sold Fraud Protection Plus, an identity protection product offered through an Identity Protection Product Vendor, to Bank customers. The Bank marketed the product through direct mail campaigns until April 2011, and offered the product on its website and in branches until February 2013. The Fraud Protection Plus product included credit monitoring and credit report retrieval services, among others.

(2) The Bank customers who enrolled in the Fraud Protection Plus product were required to provide sufficient personal verification information and consent before their credit monitoring services could begin and their credit bureau reports could be accessed. Customers could not receive the credit monitoring and/or credit report retrieval services of the Fraud Protection Plus product in which they were enrolled until the information and consent were submitted.

(3) From June 2009 to April 2014, the Bank billed Fraud Protection Plus customers for the full fee of the product, even though not all customers were receiving the credit monitoring and/or credit report retrieval services of the product.

(4) From June 2009 to April 2014, the Bank retained a portion of the fees paid by the Fraud Protection Plus customers, including fees paid by the customers who were not receiving the credit monitoring and/or credit report retrieval services.

(5) By reason of the billing practices for the Fraud Protection Plus product described in Paragraphs (1) to (4) of this Article, which were the result of deficient vendor management

practices, the Bank engaged in unfair practices in violation of Section 5 of the FTC Act, 15 U.S.C. § 45(a)(1).

(6) The Bank's violation of Section 5 of the FTC Act caused substantial consumer injury or was likely to cause substantial consumer injury.

(7) The Bank's violation of Section 5 of the FTC Act is part of a pattern of misconduct that resulted in financial gain to the Bank.

ARTICLE II

COMPLIANCE COMMITTEE

(1) Within thirty (30) days of the date of this Order, a Compliance Committee of at least three (3) members shall be appointed by the Board. The majority of this Compliance Committee will be comprised of outside directors. The Compliance Committee shall be responsible for monitoring and overseeing the Bank's compliance with the provisions of this Order. The Compliance Committee shall maintain minutes of its meetings at which compliance with this Order is discussed.

(2) Within ninety (90) days of the effective date of this Order, and thereafter within thirty (30) days after the end of each quarter, the Compliance Committee shall submit a written progress report to the Board setting forth in detail the actions taken to comply with each Article of this Order, and the results and status of those actions. The progress report shall include information sufficient to validate compliance with this Order.

(3) Upon receiving the Compliance Committee's report, the Board shall forward a copy of the report, with any additional comments by the Board, to the Assistant Deputy Comptroller within ten (10) days of the first Board meeting following receipt of such report, unless additional time is granted by the Assistant Deputy Comptroller through a written

determination of no supervisory objection. The Assistant Deputy Comptroller may, in writing, discontinue the requirement for progress reports or modify the reporting schedule.

ARTICLE III

In the event the Assistant Deputy Comptroller asks the Bank to revise the Action Plan, the Bank shall promptly make necessary and appropriate revisions and resubmit the Action Plan to the Assistant Deputy Comptroller for review and determination of no supervisory objection.

(2) The Action Plan shall specify timelines for completion of each of the requirements of Articles IV through VIII of this Order. The timelines in the Action Plan shall be consistent with any deadlines set forth in this Order, unless modified by written agreement with the Assistant Deputy Comptroller.

(3) Upon receiving written notice of no supervisory objection from the Assistant Deputy Comptroller, the Board shall ensure that the Bank implements and thereafter adheres to the Action Plan, including all requirements and timeframes. Following implementation of the Action Plan, the Bank shall not take any action that will cause a significant deviation from, or material change to the Action Plan, unless and until the Bank has received a prior written determination of no supervisory objection from the Assistant Deputy Comptroller.

(4) The Board shall ensure that the Bank achieves and thereafter maintains compliance with this Order, including, without limitation, successful implementation of the

Action Plan. The Board shall further ensure that, upon implementation of the Action Plan, the Bank achieves and maintains a program to comply with Section 5 of the FTC Act and its implementing regulations with respect to Third Parties as defined in Paragraph (1) of Article VII. In each instance in this Order in which the Board is required to ensure adherence to or undertake to perform certain obligations of the Bank, it is intended to mean that the Board shall:

- (a) Require the timely reporting by Bank management of such actions directed by the Board to be taken under this Order;
- (b) Follow-up on any non-compliance with such actions in a timely and appropriate manner; and
