(3) The Bank may not initiate any action that deviates significantly from a Strategic Plan (that has received written determination of no supervisory objection from the Director and has been adopted by the Board) without a prior written determination of no supervisory objection from the Director. The Bank’s written notice of its intent to deviate significantly from the Strategic Plan must include an assessment of the impact of such proposed change on the Bank’s condition and risk profile, including a profitability analysis and an evaluation of the adequacy of the Bank’s organizational structure, staffing, management information systems, internal controls, and written policies and procedures to identify, measure, monitor, and control the risks associated with the proposed change in the Strategic Plan.

(5) If the Bank fails to achieve or maintain the capital ratios required by paragraph (1) of this Article, fails to submit a Capital Plan as required by paragraph (3) of this Article, or fails to implement a Capital Plan to which the Director has provided a written determination of no supervisory objection, then the Bank may, in the Director’s sole discretion, be deemed undercapitalized for purposes of this Order. The Bank shall take such corrective measures as the OCC may direct in writing from among the provisions applicable to undercapitalized depository
institutions under 12 U.S.C. § 1821o(e) and 12 C.F.R. § 6. For purposes of this requirement, an action “necessary to carry out the purpose of this section” under 12 U.S.C. § 1831o(e)(5) shall include restoration of the Bank’s capital to the minimum ratios required by this Order, and any other action deemed advisable by the OCC to address the Bank’s capital deficiency or the safety and soundness of its operations.

SUSPICIOUS ACTIVITY REVIEW “LOOKBACK”

(1) Within ninety (90) days of the date of this Order, the Board shall submit to the Director, for a prior written determination of no supervisory objection, the name and qualifications of a proposed independent, third-party consultant to review and provide a written report on the Bank’s suspicious activity monitoring (SAR Look-Back). Refer to OCC Bulletin 2013-33, “Use and Review of Independent Consultants in Enforcement Actions: Guidance for Bankers” for guidance.

(2) Within sixty (60) days following receipt of the Director written determination of no supervisory objection to the qualified independent consultant to conduct the SAR Look-Back (Look-Back Consultant), the Board shall submit, for a prior written determination of no supervisory objection, a proposed scope and timeline for completion of the engagement that addresses the requirements of Paragraphs (3) and (4) of this Article and includes a list of the customers, accounts, and alerts selected, and the methodologies, factors, and other considerations used to select the customers, account, and alerts. Refer to OCC Bulletin 2013-33, “Use and Review of Independent Consultants in Enforcement Actions: Guidance for Bankers” for guidance.

(3) The purpose of the SAR Look-Back is to determine whether additional SARs should be filed for any previously unreported suspicious activity, including cases in which the BSA Officer or BSA staff identified suspicious activity but failed to support a decision not to file a SAR, to review the quality and accuracy of previous SAR filings to determine whether corrections or amendments are necessary to ensure that the suspicious activity identified was
accurately reported in accordance with 12 C.F.R. § 21.11, and to identify any accounts that represent excessive BSA/AML risk.

(4) The scope of the SAR Look-Back shall include the Bank’s medium risk or higher activity from June 1, 2016 through June 30, 2017 and shall be risk-based, as determined by annual volume, geography and product risk, and other factors. The scope of the SAR Look-Back shall also include account activity, for the same period for accounts:

(a) owned by officer, employees, or directors of the Bank or any of its shareholders or a family member of any such person;

(b) for which the Bank received a law enforcement subpoena; or

(c) that generated internal alerts for which the Bank determined it would not file a SAR.

(5) Within ten (10) days following receipt of the Director’s written determination of no supervisory objection to the proposed consultant and proposed timeframe for completion of the review, the Board shall engage the Look-Back Consultant to perform the SAR Look-Back pursuant to the proposed terms.

(6) Within thirty (30) days of completion of the SAR Look-Back, the Look-Back Consultant shall provide the Board with a written report that contains a list of any SARs that the Look-Back Consultant recommends that the Bank should file or existing SARs that the Bank should modify to comply with the requirements of 12 C.F.R. § 21.11, a list of accounts that represent excessive risk for BSA/AML compliance, and a conclusion about the effectiveness of the Bank’s suspicious activity monitoring. This SAR Look-Back report should also, among other things, describe:

(a) the methodologies and tools used in conducting the review;
(b) the process followed for investigating customers and customer activities;
(c) a summary of the number and types of customers and accounts reviewed;
(d) the number of customers and accounts requiring additional investigation;
(e) the number of customers the Look-Back Consultant recommended to the Bank that warranted SAR filings or modifications to existing SAR filings; and
(f) the number of customers where the Bank determined not to file a SAR.

(7) When providing the written report to the Board, the Look-Back Consultant shall, at the same time, directly provide a copy of the written report of the findings and recommendations from the SAR Look-Back to the Director. The supporting materials and workpapers associated with the SAR Look-Back shall be made available to the OCC upon request.

(8) Based upon the results of the SAR Look-Back, the OCC, at its sole discretion, may expand the scope of the SAR Look-Back period. If an additional SAR Look-Back period is deemed appropriate the SAR Look-Back will be completed in accordance with the requirements of this Article.
