*Note*

Some OTS-regulated thrifts file a consolidated Thrift Financial Report (TFR) that includes data for a subsidiary thrift, which also files its own TFR separately. Subsidiary thrifts are those that report a parent docket on TFR line SQ410. Data filed by subsidiary thrifts are excluded from the Industry Aggregate Report when both the parent thrift and its subsidiary are in the same aggregate group. This exclusion prevents double-counting of subsidiaries' data.
