The rescission of this Transmittal Letter does not address the status of the conveyed document. To determine the status of the conveyed document, please check with the original issuer of the document.

Attached is a final rule that will require savings associations to obtain fidelity bond coverage consistent with standards of safety and soundness. The final rule will not require savings associations to hold a specific standardized form and will not specify minimum amounts of coverage.

The rule was published in the Federal Register, Vol. 57, No. 71, pp. 12695–12698.
