Truth in Lending Act: Annual Dollar Trigger for Certain Home Mortgage Loans Bearing Fees Above a Certain Amount

The Federal Reserve Board published, in the August 9, 2006, *Federal Register*, its annual amendment to its Regulation Z Commentary related to the dollar amount that triggers requirements for certain home mortgage loans subject to 12 CFR 226.32. The Home Ownership and Equity Protection Act of 1994 established rules for home-secured loans in which the total points and fees payable by the consumer at or before loan closing exceed the greater of \$400 or 8 percent of the total loan amount. The \$400 amount is adjusted annually based on the annual percentage change in the Consumer Price Index as of June 1. The adjusted dollar amount for 2007 is \$547.

Effective January 1, 2007, the 12 CFR 226.32 points and fees trigger is the greater of \$547 or 8 percent of the total loan amount. This change can be found in the Regulation Z Commentary at 226.32(a)(1)(ii) – 2, which lists the annual adjustments.

Questions regarding this change may be directed to your supervisory office or the Compliance Policy Department at (202) 874-4428.

Ann F. Jaedicke
Deputy Comptroller for Compliance Policy
