Consolidated Reports of Condition and Income: Webinar on Federal Financial Institutions Examination Council’s Streamlined Call Report

Summary

On Wednesday, March 8, 2017, from 2:00 to 3:30 p.m., Eastern Time, the banking agencies, under the auspices of the Federal Financial Institutions Examination Council (FFIEC),¹ will conduct a webinar for bankers to introduce the new FFIEC 051 call report for eligible small institutions, which generally are institutions with domestic offices only and total assets of less than \$1 billion. The webinar will cover the content of the call report and discuss how it differs from the existing FFIEC 041 call report. The webinar also will summarize the revisions to the FFIEC 031 and FFIEC 041 call reports. A question-and-answer period will follow the presentation on the reporting changes for March 2017.

The FFIEC 051 is a streamlined version of the existing FFIEC 041 call report that, at present, is filed by all institutions with domestic offices only. The introduction of the new FFIEC 051 report is part of the FFIEC’s community bank call report burden-reduction initiative.
